## ABOUT

Founded in 2021, "A Bit Sophisticated" is an equestrian clothing line for English riders and includes apparel for horses. It is a private organization with one store located in Issaquah, WA. ABS also holds a major online presence. The store allows equestrians to obtain unique, quality, and safe apparel which fulfills the company's mission statement, "Ride with class". Clients are English riders in the Pacific Northwest and the rest of the United States. Clothing is appropriate for dressage and hunter/jumpers. The customer base is titled as "The Thoughtful Equestrian" because they pay attention to detail when deciding what to buy but they also want to spend a rational amount. ABS provides quality with a competitive price tag. Products for people include riding shirts, breeches, belts, socks, show attire, and gloves. There are also saddle pads, boots, polos, and ear bonnets for horses that can match the rider's outfits. Equestrians spend a lot of time and money on their horses and the goal of our company is to allow our riders to look and feel good while they do the sport they love.
